06/06/2023	53	ORDER Denying Motion for Ex Parte - This matter is before the Court on Plaintiff's "Motion for Ex Parte." Dkt. 46. The Court understands Plaintiff to be asking the Court to allow him to make all filings ex parte. Filings in civil cases are presumptively available to the public. The Court has procedures that allow the filing of some documents under seal. See Southern District of Indiana Local Rule 5-11. But Plaintiff has not complied with those procedures. Moreover, he seeks even more protection that sealing would allow. By asking to file documents ex parte, Plaintiff is asking to file documents in such a way that even Defendant and its counsel could not see them. While it is occasionally appropriate for a party to file a document ex parte, it is not appropriate for all of Plaintiff's filings to be made ex parte. Defendant cannot litigate this case without knowing what Plaintiff has filed. Accordingly, the motion, dkt. [46], is denied. Copy to Plaintiff via US Mail. Signed by Judge James R. Sweeney II on 6/6/2023. (SWM) (Entered: 06/07/2023)

To the extent that Plaintiff is asking the Court to forward filings from this case to the Northern District of Texas, the request is denied. The Northern District of Texas transferred this case to this Court, dkt. 5, so this Court is the Court where this case will be heard, and all filings should be submitted to this Court. To the extent that Plaintiff is asking the Court to forward documents to another court, he has not identified that court and, regardless, the Court has no obligation to forward documents to a court hearing an unrelated case. The motion is, however, granted to the extent that the Court will send Plaintiff a public docket sheet. The clerk is directed to enclose a public docket sheet with Plaintiff's copy of this Order. See Order. Signed by Magistrate Judge M. Kendra Klump on 6/8/2023.(Copy mailed to Plaintiff.) (Attachments: # 1 Public Docket sheet) (LF) (Entered: 06/09/2023)
